To help assess this submittal, provide all the information requested in the form. The Committee will review all submittals and notify you upon acceptance. Clear, complete, and well-informed answers greatly enhance the Committee’s ability to understand and appreciate your submittal and may increase the probability that it will be accepted. We are looking for engaging, timely, and relevant sessions on a wide range of topics, including practice, accessibility, community, sustainability, historic preservation, and more. Interactive presentations are highly encouraged, as are panel presentations and sessions that qualify for HSW credit. Due to the current situation, we may need accepted presentations to be formatted in digital form.

**ABOUT THIS COURSE:** Briefly describe your proposed program. If the program is accepted, this text will be published in the program booklet – it should **SELL** the presentation in 100 words or less. Describe precisely what the session will be.

Description (100 words or less):
List four (4) learning objectives or outcomes for the session’s participants. What will participants be able to do as a result of their participation? It is suggested you make your objectives action-oriented: for example, “Participants will diagram, list, analyze, develop, etc.” or, “Participants will be able to identify, calculate, apply, etc.” (Submittals without four clear learning objectives will not be considered). For HSW presentations, please include how the requirements will be met.

ALL HSW presentations MUST include a justification. Please indicate whether your presentation will qualify for Health, Safety, and Welfare (HSW) Learning Units, and explain specifically how your presentation will meet the CES requirements.

☐ Yes  ☐ No

A minimum of 75% (3 of 4 objectives) of the program’s content must relate to one or more of applicable subject areas, including (but not limited to) accessibility, building design, codes, energy efficiency, materials and systems, preservation, building security, structural issues, sustainable design, etc. Please review and comply with AIA’s HSW Credit Standards. The AIA–LRGV reserves the right to request additional information to verify session content and to change HSW designation to meet CES requirements.

Notes:

1. Fees & Expenses: Speakers who participate in the Building Communities Conference do so pro bono... over 40 industry wizards contribute their wisdom each year. Presenters may attend all BCC continuing education programs and socials free of charge.

2. Presenters’ Names: Please be sure the names and other information you are providing are legible, accurate, and include appropriate designations (AIA, P.E., IIDA, ASLA, etc.). If accepted, this information will be published in the Building Communities Conference Program.

3. Acknowledgement: If you do not receive a confirmation, we did not receive your submittal, and it will not be considered as a program for the Building Communities Conference.

4. If selected, you will be notified by email in early September 2019.

5. All the following requirements must be checked.

☐ If selected as a presenter, I will submit a signed Speaker Agreement upon notification of acceptance.

☐ If selected as a presenter, my presentation will include the 4 required Quality Assurance Slides.

☐ If selected as a presenter, I understand that I am responsible for either a 60 minute or a 90-minute program.
