## Experience

January 2026 – June 2026

### Undergraduate Research Assistant, [UTSA](#)

Assisting a UTSA architecture professor with additional research and assignments pertaining to architecture related projects including digital presentations and designing and preparing a physical project publication.

February 2025 – May 2026

### Student Library Assistant, [UTSA](#)

Assisting the library with communications related tasks. Uploading, organizing, and editing meta-data for research items found in the UTSA library repository.

May 2025 – August 2025

### Summer Architecture Student Intern, [Megamorphosis Design](#)

Assisted with multiple design projects, attended client meetings, took down minutes, job site visits, created presentations, created renders, and digital 3D modeling.

August 2023 – August 2024

### BiblioTech Lab Specialist, [Housing Authority of the City of Brownsville](#)

Managed and overlooked a BiblioTech computer lab. Assisted the community with computer, printer, and 3D printer use. Held events, classes, and activities for community members of all ages.

October 2022 – August 2023

### CNI Intern, [Housing Authority of the City of Brownsville](#)

A part of the Choice Neighborhood Implementation Grant project. Assisted with project events and attended monthly project meetings. Additionally, assisted the supportive services division with events, filing, and other duties.

February 2022 – October 2022

### Drafting Intern, [Home and Commercial Designs](#)

Drawing a set of plans for residential and commercial projects. Working with AutoCAD to draw electrical, foundation, elevation, site, and cross-section plans.
